Index

THE FREEMAN—Volume 35, January–December, 1985

Prepared by BETTINA BIEN GREAVES of the Foundation staff

NOTE: In page references, the number preceding the colon designates the month, those following refer to pages. All articles have at least three entries—author, subject, and title—except in a few cases when title clearly indicates subject matter. Books reviewed are listed on page 768.

A

ABC of a market economy (Hazlitt) 2:68–74
